1. In accordance with your request, we are submitting the attached folder which contains the organizational charts of the Central Intelligence Agency from 1947 to date. It will be noted that these charts are presented in three basic groups:

- a. The period prior to 19 January 1951,
- b. The period 19 January 1951 through 19 March 1953, and
- c. The period 20 March 1953 through 9 August 1954.

Within these periods are numerous minor adjustments in organizational structure that have taken place. These are reflected in separate charts arranged chronologically.

2. Your attention is called to a recent reorganizational change effective 3 February 1955. This reorganization enlarges the area of responsibility of the Deputy Director (Administration) to include the Offices of Communications, Personnel and Training. In addition, it abolishes the Administrative Staff of the Office of the Deputy Director (Plans), and provides for the absorption of the functions of this Staff by the Office of the Deputy Director (Administration).
